Small to medium business owners with less than 15 commercial motor vehicles to insure

What types of cover are available?

The Transport Package allows you to combine up to four types of cover under the one policy – so you can pick and choose the covers that suit your business.

Commercial Motor Insurance

This mandatory cover protects your fleet from damage or loss. It includes the following automatic benefits:

- New-for-old replacement. If one of your trucks that is less than three years old is written off or stolen, we will replace it with an equivalent new make and model.
- Up to \$32.5 million Third Party Liability cover. We will cover you for up to \$32.5 million up if you are at fault for damage your vehicle (carrying non-dangerous goods) has caused someone else's vehicle or property.
- Excess benefit payments. If a truck is written off and the finance on the vehicle exceeds the sum insured, we may pay greater than the sum insured to pay out the finance.
- Cover for your premises. If your rented or leased business premises are damaged by your own vehicle, we provide substantial liability cover.
- Unlimited vehicle sign writing. If your vehicle needs sign-writing due to loss or damage, we will cover the full amount of the cost.
- Automatic cover for 45 days. If you have additional vehicles not specified in your policy, we will provide you with 30 days cover from the time you take legal control – up to a total value of \$500,000.

Liability Insurance (optional)

The optional cover protects you from public and product liability to third parties. It includes the following automatic benefits:

- Property damage. We will cover your liability for property damage that occurred as a result of an accident.

- Personal injury. We will cover your liability if one of your contractors, hired staff, or third parties such as visitors or the general public experiences an injury in relation to your business
- Product liability. We will cover your liability that arises from the incorrect use of goods, mixing or assembly.
- Care, Custody and Control. We will pay up to \$100,000 for damage to third party property in your control
- Earthmoving damage. We will cover your liability for damage to underground services caused by earthmoving equipment.

Marine Cargo Insurance (optional)

This optional cover offers the choice of Carrier's Goods In Transit (Perils) Cover, Carrier's Cargo Liability, or a broader Accidental Damage option.

Under the Accidental Damage option, we will cover you for:

- Loading/unloading.
- Shedding of load.
- Theft, pilferage and non-delivery.

Business Interruption Insurance (optional)

This optional cover protects your income when you have a valid claim for damage to your vehicle(s).

When you set up your policy, you define the benefit amount you wish to receive, and the indemnity period you wish to cover. We will pay that amount in the event of a successful claim.

Indemnity periods are sold in weekly 'lots', up to a maximum of 24 weeks. Unlike other insurers, you don't need to provide proof of lost income to claim.
